Meeting 03 - Agenda

Date/Location: 09-February-2024 at 10:00 PM in Dhaka (in Zoom Meeting).

Information Updates/Reminders

============================

- The next phase, we need to write code with proper coding documentation.
- We have to use a tool in the future.
- We have to write code so that our code satisfies the requirements of that tool.
- We have to talk about unit testing.

Decisions Needed

================

- Decision about actors.
- Decision about features.
- Decision about coding documentation.
- Decision about the unit testing.
- Decision about the next phases.

General Items

============

- Need to find out all the actors of our project.
- Need to gather all the features we will implement
- Need to find out how to write code with documentation rules.
- Need to find out about unit testing.
- Need a plan to go after these steps.
